**America's Most Beautiful Bows
by HOWATT**

Each HOWATT bow is meticulously engineered for pride of ownership and pride of performance. More than 20 years of traditional craftsmanship is apparent in the beauty, strength and accuracy of the finished product. The superior materials are carefully selected from the very finest obtainable. The engineering and design are the result of intensive field trials and years of research. Finally, each HOWATT bow is the proud work of master bow-makers, living up to the reputation for producing "America's most beautiful bows."

**HOWATT BOWS
- the Champion's champion**

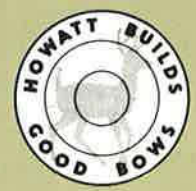

In tournament after tournament, HOWATT bows are winning an overwhelming number of prized trophies. More and more experts have turned to HOWATT bows for consistent competitive performance. In the field, HOWATT bows are the unquestioned choice of some of America's most successful archery hunters. Whether your choice is hunting or target shooting, discover the real difference in a HOWATT bow. Check the remarkable consistency. Compare the speed, the amazing power and accuracy. Consider these facts and you'll certainly agree, when you own a HOWATT bow, you shoot "the Champion's champion."

HOWATT'S 2 YEAR GUARANTEE
All HOWATT bows carry a full 2 year guarantee, prorated, against failure or breakage due to faulty materials or workmanship in the course of normal use. All merchandise is fully guaranteed on delivery on a refund or exchange basis.
