Continuing Education/Continuing Medical Education (CE/CME) Activity

WHEN: 12N (Central Standard Time) • Tuesday, March 23, 2021

Technology Enable Symptom Assessment & Exposure Notification for COVID-19 (12N)

Presentation Purpose:

This lecture will discuss technology enabled symptom Assessment and Exposure Notification for COVID-19. The audience will be provided with background and information regarding the tools, their use in CMD compliance and how they were used to keep classrooms open. Attendees will increase their knowledge about the role of technology enabled tools in COVID-19 spread mitigation.

Learning Objectives: Upon completion of this activity participants should be able to:

- Summarize background and information regarding tools and their use in CMS compliance
- Increase knowledge about the role of technology enabled tools in use for COVID-19 spread mitigation
- Review tools that attendees will be able to use for exposure notification

Speaker(s) Bio:

Sue S. Feldman, RN, MEd, PhD
Interim Director, Graduate Programs in Healthcare Quality & Safety
Associate Director, Masters of Science in Healthcare Simulation
UAB School of Health Professions

Sue Feldman is the Director of Graduate Programs in Health Informatics and teaches in the Clinical Informatics program, the Master of Science in Health Informatics program, and in the PhD program in the School of Health Professions. She has a dual appointment in the School of Medicine and is a Fellow at the Center for the Study of Community Health at UAB.

Dr. Feldman is a Commissioner on the Health Informatics Accreditation Council for CAHIIM (Commission for Accreditation for Health Informatics and Information Management) where she chairs accreditation site visits.

As a Registered Nurse (RN) for over 30 years, she brings a unique clinical and informatics blend to everything she does, grounding policy and theory with practice. Dr. Feldman has published in a variety of top-tier peer-reviewed journals and conference proceedings, and served as program chair for several national forums, and more recently authored a textbook chapter on the intersection of health informatics and quality in safety as well as served as editor for a special issue journal on the topic.

Training

Doctor of Philosophy in Information Technology, Claremont Graduate University 2011

Master of Education in Higher Education / Higher Education Administration, Claremont Graduate University 2007

Awards and Honors

Best Paper Award, 2011
Best Paper Nomination, 2011
Student Scholarship Award, 2011
Dissertation Award, 2010
Student Research Award, 2009

Disclosures:

Faculty: Sue S. Feldman, RN, MEd, PhD

- * Has no relevant financial relationships with ACCME-defined commercial interests:
- * Will not be discussing the off-label or investigational use of products

Course Chair reviewed and found no Conflict of Interest

All Ascension planners and reviewers have no relevant financial relationships with ACCME-defined commercial interests.

TARGET AUDIENCE: This activity is designed for the interdisciplinary audience including physicians, nursing, pharmacy, physician assistants and social workers

DISCLOSURE OF RELATIONSHIPS/CONTENT VALIDITY: It is the policy of Ascension to adhere to Joint Accreditation Criteria, Policies, and Standards for Commercial Support and content validation in order to ensure fair balance, independence, objectivity, and scientific rigor in all its sponsored activities. All speakers, Course Directors, Co-Course Directors, planners, reviewers, and staff members participating in sponsored activities are expected to disclose relevant financial relationships pertaining to their contribution to the activity. Relationship information is analyzed to determine whether conflicts of interest exist. All conflicts of interest are resolved prior to participation in the planning or implementation of this activity. Presenters and authors are also expected to disclose any discussion of (I) off-label or investigational uses of FDA approved commercial products or devices or (2) products or devices not yet approved in the United States.

Ascension CE/CME activities are intended to be evidence-based and free of commercial bias. If you have any concerns, please call the Ascension CE/CME Department at 205-838-3225 to anonymously express them.

Commercial Interest: No commercial interest was received for this ICPE activity

Faculty/Course Director/Planners:

All Ascension planners and reviewers have no relevant financial relationships with ACCME defined commercial interest.

Ascension has selected all faculty participating in this activity. It is the policy of Ascension that all CE/CME planning committees, faculty, authors, editors, and staff disclose relationships with commercial interests upon nomination or invitation of participation. Disclosure documents are reviewed for potential conflicts of interest and if relevant, they are resolved prior to confirmation of participation. Only those participants who have no conflict of interest or who agreed to an identified resolution process prior to their participation were involved in this activity.

Conflict of Interest: In accordance with the ACCME Standards for Commercial Support, it is the policy of Ascension to ensure balance, independence, objectivity and scientific rigor in all CE/CME activities. Full disclosure of conflicts and conflict resolution will be made in writing via handout materials or syllabus.

Credit Designation:

In support of improving patient care, Ascension/St. Vincent's Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

This activity was planned by and for the healthcare team, and learners will receive 1.0 IPCE credits for learning and change.

FOR PHYSICIANS:

The Ascension/St. Vincent's Health designates this Live Activity for a maximum of 1.0 credits *AMA PRA Category 1 Credit(s)* ™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

FOR NURSING:

This activity is awarded 1.0 contact hours. (based on 60 minutes per contact hour)

FOR PHYSICIAN ASSISTANTS:

Ascension/St. Vincent's Health has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 1.0 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation.

FOR PHARMACY:

This knowledge-based activity qualifies for 1.0 contact hours of continuing pharmacy education credit.

Pharmacy CE credits will be submitted electronically to the NABP upon successful completion of the activity.

Obtaining CE Credit:

- 1. Review the live/enduring activity
- 2. Complete the activity in its entirety
- 3. Complete the electronic activity evaluation
- 4. Certificate of completion will be sent 10 days after each activity viewed. CME, PA NP credits will receive a transcript; CE, Social Work, Allied Health credits will receive a CE certificate electronically to be downloaded to individual boards by the participant and ACPE Pharmacy CE credits will be submitted electronically to the NABP upon successful completion of the activity.
