

Notice this quote from a friend of the Children's Ranch:

"I found out from my tax preparer that I could donate to the Children's Ranch and wipe out my state tax to Arizona at the same time. Enclosed is a check."

Did you know?
YOU can send some of your 2019 Income tax
directly to the Children's Ranch!

The State of Arizona has named All the King's Horses Children's Ranch a "Qualified Charitable Organization"!

When you give to a qualifying organization the state gives you a dollar-for-dollar tax credit (up to \$800 married couples or \$400 for singles). Every dollar you donate to the Children's Ranch goes directly to benefit Arizona's children in need.

The choice is so easy!

A. Pay your income tax to the Arizona Department of Revenue
OR
B. Invest in the Children's Ranch. Give our children the opportunity to experience the quality of life in a Christian Family setting.
