Dear Parents,

Beginning Visions CDC Graduation was a success and now we are in full swing with summer activities and field trips! Some field trips to look forward to this month are Wheels Fun Park, Safari Nation, Lazy 5 Ranch, Pool days, Durham and Greensboro's Life and Science Centers, Defy Gravity, and many more!

\*July 13th - The schoolagers will be baking and selling all kind of goodies for purchase this afternoon at pick up time.

\*July 25<sup>th</sup> - The schoolagers would LOVE for you to come by with your car/vehicle and get it all cleaned up for a donation.

The money raised from these two events will go towards their plan for their end of the year celebration! Thank you for your support!! These 2 events are a couple of our favorites! It teaches the children the responsibility of earning money towards something they want and then figuring out how to count it, keep up with it, and budget for what they want to do. It is a great and rewarding learning experience! Please help us to make it a success for them.

### Who's Birthday is it??

"Some birthdays come in winter, Some birthdays come in spring.

On birthdays there are games to play And lots of songs to sing.

My favorite birthday is in July, And it doesn't belong to me!

It's the birthday that lights up the sky, For all the world to see!

Rockets glare, trumpets blare, And bands begin to play.

Happy Birthday America, It's Independence Day!"

We will let you know which is the winning team at the end of the summer. Will it be America, Asia, Europe, Africa or Australia???

Keep up the magnificent work Ms. Tiera and Ms. Krysten!!
