I'm looking forward to our summer study of the Ten Commandments. It will begin next Thursday, June 13 at 10:00am in the church fellowship hall. I'd like participants to do the following reading before the first session:

From the Bible:

Exodus 20: 1-17

Deuteronomy 5: 1-21

Matthew 19: 16-22

Matthew 22: 36-38

Also, break out your Small Catechism and read what Luther says about the First Commandment.

And finally, give a read to Luther's Large Catechism, what he has to say about the First Commandment. I have provided a link to that for you below:

I hope to see you next Thursday!

Yours in Christ,

Pastor Ken
