

## **Class Synopsis:**

**The AR-15 Carbine class is *Firearms Manipulation class*.** This class involves you learning the AR-15 configuration, cleaning, presentation and the use of it! You will zero in your sights (Iron Sights and/or Red Dot); show you various ways to deploy your rifle for use (standing, kneeling, sitting prone), also using the sights too. I will show you how to get “Bone Support” behind the rifle while shooting. The function of the collapsible stock will be discussed for use. You will experience weapons transitioning too (going from rifle to handgun), moving and shooting too! At the conclusion of the class there will be a fun shooting qualification that will encompass what you learn in the class.

**Class Times: 7am to 11am.**

**Class cost is \$60.**

1. AR-15 carbine rifle
2. Handgun & Holster
3. Two or Three of the 30 round magazines
4. Magazine pouch
5. Iron Sights and/or Red Dot Sights
6. 300 rounds of ammunition (.223 or 5.56)
7. 50 rounds of handgun ammunition
8. Sling (single point or 2 point)
9. Ear & Eye protection

The following items are NOT required BUT HIGHLY RECOMMENDED:

1. Knee pads
2. Elbow pads
3. Dump Pouch
4. Shooting mat for prone positions (you will be on the ground)
5. Hydration system (water)
6. Hat

### Range Directions:

Take I-10 west to Miller Road, exit on Miller, make right turn (north bound) and as soon as the pavement ends you will see a left hand turn, it is Tonopah-Salome Highway. Take this road about a  $\frac{3}{4}$  of a mile and you will see an area used by people to shoot at! I will be set up somewhere on the tail ends of the shooting area. Approximately the circled area on this map.

Look for a Gray Dodge Avenger with YELLOW Hollow-Point Defense Vinyl lettering covering the back window. I will be parked to where you can see it as you drive in. I will be easy to find!

**Look for a Dark Gray Dodge Avenger. ☺**
