

2017 Annual Day to Serve Community Service Project

2017 is the 5th Annual Day to Serve which is a unique annual initiative that transcends politics and religious differences. It unites people of all faiths, races, cultures, and backgrounds with the shared goal of helping those in need and improving the communities where we live. It is a movement started in Maryland, Virginia, West Virginia and Washington, D.C. to motivate people to get involved in service events each year. Find more ways you can get involved at www.daytoserve.org.
