

About Troy Giles Realty & Management

5813 Padre Blvd.
956-761-2040 (office phone)
956-761-6080 (office fax)

TGRM has been selling real estate on South Padre Island since 1973. The office is staffed with professional Realtors® seven days a week. Email inquiries and phone calls are answered after office hours.

Yard Signs

Yard signs, in compliance with city ordinances and HOA sign restrictions, will be placed prominently on your property. Even in this electronic age, Realtors® still receive a significant number of inquiries from yard signs.

Informational Brochures

A multi-page brochure will be created, displaying property description, photos, map, etc. Brochures are available to prospective buyers, agents from other real estate offices, property managers, members of homeowners' associations, condominium front desk staff, and open house attendees. Additionally, the brochure will be digitized and available for viewing online.

Rental Properties

If your property is a vacation rental, a sign placed inside to inform guests that the property is for sale. The sign contains QR codes to property details and agent contact information.

Email Blasts

Troy Giles Realty sends out an email blast to our more than 10,000 subscribers. This email contains information about area attractions, local special events, open houses, and provides an opportunity to share featured properties with a wide audience.

Open Houses

Your property will be on the SPI Board of Realtors Tour shortly after going on the market. This will inform local realtors about your property, enabling them to find the perfect buyer for you.

Open houses for the public will be held shortly after going on the market, and periodically throughout the duration of the listing.

The Open House Show

Beginning in July of 2018, I have purchased a 30 second spot on The Open House Show, which airs Sundays at 9:30am on the local NBC channel, KVEO. On the day your property is featured on the show, I will hold a public open house (if the property is available), so that people who viewed the show can visit in person.

Multiple Listing Services (MLS)

Your property will be placed on the South Padre Island Board of Realtors MLS. A multiple listing service allows real estate brokers to share information on properties currently on the market with other local brokers. Sellers benefit by increased exposure to their property.

Print Advertising

Property will be featured, on a rotating and/or seasonal basis, in two local print publications, the Real Estate Source, and the Real Estate Weekly.

Virtual Staging

For unfurnished properties, a few rooms may be selected for “virtually” staged to help buyers visualize how a room would look fully furnished.

Who You See Is Who You Get

Many of the local top agents assign a multitude of tasks to their unlicensed assistants. When you hire Dina to list your property, you get the benefit of having one of the area's top selling agents and a licensed professional, handle every aspect of your listing. She is able to achieve this by choosing to work with a select, manageable number of clients.
