

DALMATIAN PUPPY CHOW

"ORIGINAL RECIPE"

Today you received Scooby Doo Graham Dog Bones when you adopted a Dalmatian Puppy.

Following is the Puppy Chow Original recipe that we used to make and give for the "Puppy Adoption."

It contains peanut butter and thus when CLEWS went "peanut-free", we had to find an alternative.

We wanted to share this recipe with you if you are able to try it because it really is pretty tasty!!! Enjoy!!!
