IACET & IADC-DIT Accredited Train-the-Trainer - 4.5 Days

Program Overview

The Train-the-Trainer course was designed to qualify individuals to effectively design and lead accredited training courses and programs. The objective of the training is to provide participants with sufficient understanding, knowledge, and skills needed to successfully deploy, and execute highly effective training programs in which they are providing instruction. The program utilizes the latest teaching methodologies, practices, and techniques as well as practical application in this course to ensure training providers leave with the required knowledge and skills to ensure they are utilizing effective training techniques, meeting the ANSI/IACET 1-2013 Standard for Continuing Education and Training and IADC-DIT Accreditation requirements.

Upon completion, you will receive a certification with a unique registration number issued by Wollam Groups, be listed in the Industry Registered Professional Network™, and IADC-DIT Certificate of Completion.

Summary of Learning Outcomes

- Describe the characteristics of an effective facilitator.
- Analyze learning and teaching styles.
