P.O. BOX 30089  
ACUSHNET, MA 02743

Dear Business Owner/Friend:

The Acushnet Youth Soccer Association (AYSA), has held a proud tradition in our community. We have grown from 46 players at its conception to a current roster of 750 players.

This growth could not have taken place without the support and dedication of our sponsors, volunteers, families, and coaches. This community-based non-profit organization is committed to providing a high-quality youth soccer program for children at all skill level. We have both a recreational (AYSA) and a competitive travel program (Acushnet FC) geared towards meeting the desires of each child in our community.

The recreational program served upward of 54 teams in the fall last year, with instructional divisions from 6U thru 10U and competitive divisions 12U & 15U. The Primary Goal is to expose children to organized sports, to teach values of teamwork, sportsmanship & community, while fostering a love for the game.

Our organization is funded through player registrations, fundraising, and sponsorships. We strive to keep our registration fees affordable. We are able to reach these goals through collaborations with businesses such as yours. Please consider sponsoring one of our teams. In return, we would like to support your business/company and offer an opportunity for marketing and promotion of your services.
