Quotes:

“He is a young man of strong character and has a desire to make a difference in the world. He has a heart for service and has given himself to working in the community with Young Life and has served as an RA on Campus. He wants to help hurting teenagers and this scholarship would allow him no tot have to work so much and give more time in loving those kids at Glover Middle School!”

Kent McDonald - Professor/Regional Trainger Young Life

“My ultimate goal is to help students realize, wherever they are, whoever they are, that they are loved. This scholarship will help me tremendously in my pursuit of that – not only throughout my year of college coming up, but afterwards as well. Going into the career path I want to, there is not a lot of money. Which is totally okay with me, there isn’t anything I would rather be doing, but it means that I need help throughout to pay for school. Because of this need, when I realized I had received the scholarship – I couldn’t contain the joy and relief. This helps me so much, as well as my family, in something that is so invaluable: education. I appreciate your support so much in my academic and career pursuits! It has blessed me so incredibly much.” **Wilson**
