

NAILS IN THE WALL

The Gallery @ St. Luke's

is a small,
non-traditional
exhibition space
sponsored by the
Episcopal Community of St. Luke's.

In an effort to bring the visual arts
into the ongoing **life of the parish**
as well as the **broader community**,
the gallery is established in a well-used area,
one that is a part of the
weekly parish gathering
as well as a space that is frequented
by a large number of other groups.

Administered by the
TASL group
The Arts at St. Luke's

NAILS IN THE WALL presents **two**
shows per year, each of which hangs
for six months. During the time each show is
on exhibit, Gallery Administrators plan to
host a series of exhibit-related events.

- Provides opportunities for contemplation and ecstasy for all who spend time in the gallery and generates a consciousness of the power of visual art in our homes and sacred spaces.
- Creates a source of dialogue and communication with those of every religious affiliation, since artists of all faith traditions are welcome to share their work at Nails in the Wall.

Every culture, every religion includes a belief in "winged spirits," GUARDIAN FIGURES strong, fierce, sometimes wrestling with humans, sometimes MESSENGERS delivering fateful news, often PROTECTORS, sometimes presented as those winsome cherubs. Many collect angel figures, and artists of old as well as pop-artists have given us multitudes of images, from saccharine to heroic.

We now invite contemporary artists to share your angelic images: HOW DO YOU VIEW ANGELS?

Artists may submit up to 3 pieces with no size restrictions.

All media is welcome including free-standing sculpture.

Art will be reviewed by the Gallery Board and notification of acceptance will be sent to the artist.

We ask that artists follow the submission directions carefully.

Artwork must be submitted via e-mail and labeled in the following way: **ARTIST'S LAST NAME, #1**, etc. corresponding to the form below which also must be completed totally and sent with the images.
