

Gene Shull, Board Member

Benson, AZ, 85602

Gene is a long time resident of Benson having moved here from Tucson with his family in 1958. After graduating from Benson Union High School he went to work for Apache Powder Company (Now Apache Nitrogen Products) in the accounting office. He retired from Apache as the accounting manager in 2003.

Gene has always enjoyed working with and raising animals on his property east of Benson. As a high school student, he worked summers on ranches which gave him a taste of ranch life. Gene has held various positions in his church such as trustee, treasurer, and deacon. After his retirement from Apache, Gene has enjoyed being a volunteer for different Christian organizations.

He heard of the need for help at the Children's ranch and began volunteering. Since that time he has held positions such as Board Chair and project director. He has coordinated building projects for the ranch as well as played a major role in our "Winning of the Pooh" project.
