

Edwards Mosquito Abatement District is hiring!

Seasonal part-time Pesticide Technician (Donnelly, Id)
compensation: \$13.00/hr (DOE) May-Sept
employment type: part-time, seasonal

U.L.V. (Ultra Low Volume) Fogging Technician

No experience required, will train.

- Edwards Mosquito Abatement needs to fill an opening for a ULV driver!
- This position is seasonal part-time and in the evenings. Great job for retirees, stay home parents or anyone looking for a second job. Typically 25 to 30 hours a week.
- Position typically starts in mid to late May and runs through mid-September. Usually 6:00/7:00pm to no later than 12:00am Monday through Friday.
- You will be driving a truck with pesticides, fogging through neighborhoods, city streets and country roads.

You will also be given study material to start on as you will need to be licensed by May.

Qualifications:

1. Need to be able to pass Idaho Professional Pesticide Applicator Licensing exam (with Public Health endorsement, total of 2 tests). Company will help you study if needed and will pay for exams, your time to take them and the license itself.
2. Must possess a valid Idaho driver's license with a clean driving record.
3. Ability to drive standard transmission a plus
4. Must be able to see/drive well at night and in other possible adverse conditions
5. Must be able to pass pre-employment/random drug testing.

Key Responsibilities:

1. Operate a motor vehicle in a safe and responsible manner.
2. Read and comprehend treatment zone maps (will train)
3. Communicate with public in a competent and professional manner.
4. Work independently with little to no supervision.

Compensation:

\$12.00/ hour once licenses are obtained you'll receive \$13.00/hour

If already licensed or have pesticide experience, wage will be negotiated based on that experience.
