STALL RESERVATION FORM

We have a limited number of stalls available in the 1927 Harvey Staring Stable as guests of Knox Farm State Park, at the rate of **\$50 per stall**. **The stable is located ½ mile from the Show Site.** Water, bathroom facilities and one bale of shavings per stall are available on site. **NO SMOKING, ALCOHOL or LOUD MUSIC are allowed in the park.** As guests of the Park, please follow these rules. You may park your truck & horse trailer on the circle in front of the stable.

You WILL NOT be able to hear the PA announcements for the show at the stable. There isn't any direct communication with the show grounds at the stable, other than your personal cell phone and a friend.

YOU are responsible to have your horse tacked up, hitched and ring side at the scheduled time for your classes. For your convenience, the show does follow a time schedule for all classes, so you will know when to be there.

YOU are responsible for stripping your stall and putting it in the manure spreader, before you leave. We do have a wheel barrel available for your use.

Bring your own bucket for water, and any hay or grain needed to feed your horse.

If you have any questions, please contact me, Liz O'Donnell, 716-380-5724 or email: eod892@gmail.com.

**STALL RESERVATIONS: Mail completed form and separate check payable to the E.A.D.S. to:
