LICENSING AND ORDINATION

Licensing— When a member announces to the church that he feels the call to the ministry, the church, by majority vote, may license him as an acknowledgement of his call to the ministry and encouragement to make preparation for it. Among Baptists licensing is the church's tentative approval for a man to serve until he has proved himself qualified for ordination into vocational ministry.

Deacon Ordination— when a person has been physically, spiritually, and scripturally qualified to serve the church in the capacity of leadership as Deacon. He has been chosen by God, recommended by the Board of Deacons and presented to the church for ordination and encouragement by a special service as we witness today.

A SPECIAL THANK YOU

A special thanks to the ladies of OBC Huggers for their gift to my father, James Pettet. God Bless each of you.
