# Support Group Programs

The GriefCare Place offers a *progressive* program of grief care through support groups provided without cost to the griever. It introduces those grieving the death of a loved one to the normal grieving/healing process in a sensitive and gentle way.

**Until Healing Comes** - for adults who have experienced any death, a foundational and general bereavement support program.

**Bereaved Parents** - for parents who have experienced the death of a child of any age.

**Widowed Women** - for women of any age who have experienced the death of a spouse

**Widowed Men** - for men who have experienced the death of a spouse.

**Other Adult Losses** - An ongoing monthly support group for adults grieving the death of a parent, sibling, close friend, partner, or relative other than a spouse or child.

**After Suicide** - for adults who experienced the death of a loved one through a completed suicide

**HALO - Hope After Loss to Overdose** is a group for adults dealing with a loss of a loved one due to drug overdose or addiction.

**Moving Ahead** - for those who are ready and into their second year of grief having already learned about the grief process. (not for new grievers)

**Kids' Time** - for children, 6 years to 12 years old, are gently led in understanding death and grief. Led by a professional clinician.
