

The Shiva Meal is a meal of consolation. It is customary to serve foods that include eggs. They symbolize the cyclical, continuous nature of the life and the close connection between life and death.

We understand that many families have their own traditions and if you prefer, we would be happy to customize our menus for you.

FERRANTE'S SIGNATURE CATERING is here to make a difficult day easier for you, your family and friends. We deliver and set up in your home, synagogue or community hall.

We provide and set up a hand washing station. Included in our menu pricing is wait staff for up to four hours, all needed disposables, linens if required, and coffee, soda and water. Our meals are kosher "style." We can arrange for a full kosher meal supervised under WI K.
