President's Piece

Dear SBOC Members and Colleagues:

I would like to thank all the members that attended the 64th Annual Spring Training Institute in March. SBOC continues to have a high number of participants and will continue to make it our goal to provide you with exceptional speakers and programs that will only help us further our careers.

If you weren't in attendance at the 2019 Annual Training Institute you missed some informative and knowledgeable speakers. A warm thank you to our exceptional speakers which included Roger Axel, Daniel Peterson, Felicia Burton, Bill Hudson and Rich Piccolo. These speakers spoke on the IBC Essentials, Code Enforcement Compliance, Illinois Accessibility Code Updates, Proper Documentation and What Other Inspectors Know. Great topics and great presenters. Thank you again for your time, commitment and the years of knowledge that you shared with all of us. Please let us know if there is a topic or speaker that you would like SBOC to consider for the 2020 Annual Training Institute.

The SBOC Board is always working to fill our programs for our monthly training meetings. Should you have any thoughts for a monthly training session, feel free in contacting any of the Board members.
