## **Appointments for all move and equipment types go live Feb 14, 2022**

Port Everglades Terminal will be deploying a new community web portal to replace its current Forecast Online in Feb 14, 2022. PET shall transition from Forecast Online for container tracking and tracing, online fee payment for imports and exports related services, import container appointments and export container pre-arrival notices for all transaction types. If you haven't already registered with eModal we ask that you take the time to register those persons within your organization that currently use Forecast Online to plan the movement containers through our facility. There shall be a final round of training/reach-outs to the community during week #4, Jan 2021.

Please see our article titled [COVID-19 Terminal Status Updates](#) for COVID-19 related changes to terminal operating procedures.

## **Early Receive Dates (ERD) for Export Containers**

Earliest Receive Date (ERD) is the first date that shippers may tender export containers at our facility. To view our most current vessel schedule and ERDs, please select the Article titled, "[Vessel ERD Information](#)", in the News Section below.

## **Approved Payment Methods - Revised December 13, 2021**

Effective Monday, December 13, 2021, the approved payment method for settling terminal fees is as follows:

Credit Card method: Visa and MasterCard ONLY  
Maximum Amount per Credit Card Transaction: \$3,000.00

For payments of \$3,001.00 and over, wire transfer or ACH payment methods are available. For more details regarding fee payments in excess of \$3,001.00, please see article, "[Approved Payment Methods](#)", in the News section of this Forecast homepage.

## **Turn Times**
