The team listed second will be the home team. The Home Team will be in the first base dugout with two exceptions: On Tuesday, Hanover will be the home team in Game 1, but will be in the third base dugout. On Thursday, Paul VI will be the home team in Game 10 but will be in the third base dugout.

The plan will be for Friday's games to match seeds from the two pools against each other (1 vs 1, 2 vs 2, etc). Friday's matchups may be adjusted at the discretion of the Tournament Committee. We will aim to avoid unfavorable geographic matchups. All games on Friday, except for the championship game, will be five innings.
