Christie made a motion to approve the Marion Township Planning Commission Meeting minutes of October 1, 2018. Sampsell seconded the motion. All voted in favor of the motion.

Christie said Liz sent a sample of the Patton Township overlay district as an example for the interchange (Buffer District). Everyone is to take a look at this before next meeting. This would be used to control development around the interchange. Christie will send to everyone for review. The idea of an official map as a tool to use is to put features on the map of future development and to talk with the Centre County Planning to see if this is worth the effort.

Meeting was adjourned at 7:47 p.m

Respectfully submitted:

Louise Biancuzzo, Secretary
Marion Township Planning Commission

Christie Holloway, Chairman

Jim Sampsell

Rick Dillon, Vice-Chairman
