To Whom it May Concern:

Coleson's F.R.O.G. is dedicated to serving families with children that have been diagnosed with pediatric cancer. Coleson Young, at the age of two was diagnosed with a malignant brain tumor. After surgery, radiation, and much prayer; Coleson is now a healthy, active boy that is CANCER FREE! Turning their family trial into a blessing, Regi and Julie Young founded the Coleson's F.R.O.G. ministry for the sole purpose of being a blessing to these children and families that are now facing similar trials.

Coleson's F.R.O.G. is excited to be in the planning stages of our 7th annual F.R.O.G. Walk and Family Day to be held on Saturday, April 29, 2017, at Lake Worth Park. With the support of surrounding communities and local businesses, last year we were able to raise a little over \$25,000 and Walked by Faith with over 600 participants. We were able to use this money raised to host our annual F.R.O.G. camps. Additionally, we were able to serve monthly meals and host Christmas in July at the Ronald McDonald House, assist families with lodging, gas cards, family fun time, and so much more!

This year we are welcoming more participants! With your help, it is our goal for all registration fees to go directly to helping our F.R.O.G. Families. We can reach this goal easily with the help of donors like you! Bottled Waters, Canned Soft Drinks, Gift Cards, Silent Auction & Raffle Items, Food for Concessions, Volunteers, and Services are just a few examples of needs for our event.
