SPEAKERS:

Our special guests will include: Dr. Jamie Ellis, Associate Professor of Entomology, University of FL Extension Dr. Ellis joined the Entomology and Nematology department at the University of Florida in August, 2006. His interests include pollination ecology of honey bees and native bees, varroa mite control, honey bee pathology/parasitology, honey bee nutrition, honey bee chemical ecology, sublethal effects of chemicals on bees, and general honey bee behavior/ ecology.

Dr. Judy Wu-Smart is the Extension and Research Entomologist at the University of Nebraska-Lincoln, Department of Entomology. The UNI, Bee Lab pursues research questions and extension programs focused on stressors impacting pollinator health in both managed and wild bee communities. We certainly appreciate Dr. Wu-Smart presentations at past Fundays, and we are most fortunate that she has accepted our invitation to share with us again.
