**SSPA**  
SURREY SCHOOL OF PERFORMING ARTS

## JARRED BROCKETT

Will be our next guest teacher on Tuesday 16th April where he will be holding a brilliant Contemporary Workshop!

Jarred trained at Centre Performing Arts, and was an associate of Chrysalis London whilst in his third year. He is now a professional dancer currently dancing with the contemporary dance company Chrysalis London!

He loves to help people to develop movement through a creative process and explore new ways of moving!

He will also perform a short dance so you can see him in action.
