

## Western Ave Rocktoberfest Student Veteran Art Contest

Western Ave Rocktoberfest is Saturday, October 21st, 2017 10am – 5pm on Western Avenue

**Theme: "Veterans"**

**Students must adhere to the following Visual Art Rules**

A visual arts entry must be an original print, drawing, painting, collage, photographic collage, fiber work or computer generated artwork that relates to the theme "Veterans".

### **Originality**

Each entry must be the original work of a student, group of students, class or grade level. Use of copyrighted material is prohibited. This includes the use of copyrighted cartoon characters or other such material. Copyright material exceptions are: images of public places, well known products, trademarks, or certain other copyright material as long as that copyrighted material is incidental to the subject matter of the piece. Collages may include portions of existing copyrighted works, such as photographs, magazine clippings, internet images, and type cut out of a newspaper, as long as those portions of copyrighted works are used to create a completely new and different work of art. *Plagiarism* is defined as taking and using another person's ideas. Plagiarized entries will be disqualified and returned to the students. Student Entry Form All participants are required to *fill out in its entirety the Student Entry Form*. Each participant is also required to submit an artist statement to describe how his or her piece relates to the theme "Veterans". Students who have not completely filled out the entry form will not be eligible to participate. In situations where the child cannot fill out the entry form or write legibly, a parent or teacher may fill it out.

### **Presentation**

All art must be flat and may not be more than 3/8 inch thick. This includes all two-dimensional materials and images. Nothing three-dimensional (noodles, beans, beads etc.) may extend off the surface of a work. No art may exceed 11 inches by 14 inches. Entries may be submitted on paper, canvas board, cardboard, hot or cold pressboard, or canvas (not to exceed 3/8-inch thickness). Lamination is discouraged because it can permanently damage the surface of the artwork.
