Greetings,

Special holidays are upon us! Christmas and New Year are very special indeed. Make sure to spend time with family and friends and don't forget the many people out there that could use your special smile.

Visit homeless shelters. There are many nursing home residents that do not have anyone to share the day with; ring a bell; search out Operation Bootstrap to donate; find a veteran family to share with; give of yourself for special projects in your community and ask your family to participate with you. This is a blessing for everyone involved.

"I expect to pass through this world but once; any good thing therefore that I can do, Or any kindness that I can show to any fellow creature, let me do it now; let me not defer or neglect it, for I shall not pass this way again."

Ettiene De Grellet

As our year is coming to the close of 2019, chairpersons need to make sure that their donations for their programs are being considered and acted on.

May each and everyone of you have a wonderful Holiday Season!

As we "Serve our Veterans with Aloha" and continue "Giving Hope to Veterans and Families" all through the Holiday Season.
