## Hello KRC & XC Thrillogy Followers

Over the past three months I have been immersed in high school track as I try to maintain all the other spinning plates that need my attention (like working and starting up our running & canicross location – which will be open in early July). I am thankful to say that I have survived and in the process have managed to create some unique partnership going forward. Mini updates first; I had two boys (both in 10th grade) qualify for the State Meet (3200m and high jump), building is basically finished... but need a parking lot to be paved and a surprise sidewalk that will go nowhere and I am finally back to running on a regular basis!!!

For my exciting news!!! Could not be more happy to announce two new partnerships. We will be working with the Kenosha Boys & Girls Club to start their first ever running program for those entering 2nd - 8th grade. Not every kid is a ball sport kid. Program starts the week of July 23rd and will conclude seven weeks later with each runner competing in the Boys & Girls Club 3K event at Petrifying Springs Golf Course on September 15th. We are equally excited to share that will be on now working with

the Special Olympics of WI and will be attending the State Track Meet this Friday at UW-Stevens Point. Our goal is to provide properly fitting and event specific footwear, make our current events more inclusive and offer a year round running program for these athletes. If you would like to become involved in either of these programs or start a program in your area please contact me, [brian@kenosharunningcompany.com](mailto:brian@kenosharunningcompany.com)

Finally, we are in the midst of developing a personal and group developmental running and walking program for all levels. Jim Heiring, Three Olympian in Race Walking and successful runner, will be working with me to develop and coach those interested to just getting started, want further develop their skills and those that want to test their limits. If you are interested in this program send me an email.

We have a great Summer line up of events for you, starting with the trails and then kicking off a couple parades and then back to the trails. Hope to see many of you throughout the summer!

Running it is just a way of life, Brian

## Coureurs de Bois Trail Run & Relay

Sunday, June 10, 2018  
Petrifying Springs County Park  
Kenosha, WI

**REGISTER TODAY!!!!**

**4 or 8 mile walk**

**8, 12 or 16 mile run**

**16 mile 2-person relay**

Petrifying Springs County Park in Kenosha, WI, is the location and provides perhaps the best trails along the Pike River. This is an ideal trail running and walking event for the more adventure-minded runners and walkers. You will encounter single track trails, groomed trails, up and down hills, and, if the Pike River cooperates, a river crossing (the water at the crossing points is typically less than 12 inches deep). If the course sounds a little challenging, at times it can be, but it is welcoming and we promise that you will love this course!

Coureurs de Bois (which means to run in the woods) offers four different distances for runners; 4 miles, 8 miles, 12 miles and 16 miles and two different distance for walkers; 4 miles and 8 miles. Runners can also run the 16 miles as a two person relay, alternating the 4 mile loop. The relay as it turns out can be a great event for couples with younger children, while one runs the other is playing with the kids! Last year a couple told me it was the first time they could run the same event together!

For those that enjoy running or walking with their dog, this is a dog friendly event!

We started a tradition last year of serving crepes and other great food and soda and will continue that tradition!

# Start planning your 2018-2019 CaniCross calendar

[Check out CaniCross on YouTube](#)

We are starting our third year of hosting CaniXC events and we are loving it! If you're wondering what CaniCross is then you're not alone. This is one of the fastest growing sports that one can do with their dog. It derives from the sport of dog mushing/sledding but you are working as a team with Fido. It's very much a team effort. While you can certainly participate and just run with your dog the idea behind CaniCross is that the dog is actually pulling you while you are running.

You are welcome to run or walk with your dog either on a leash or with the dog harnessed and attached to your running belt. We can also properly fit you and your dog with harness, lead line and running belt. We are partners with Howling Dog Alaska, Non-Stop Dog Wear and Kurgo.

We want this to be a fun experience for both you and your dog, so we encourage you to come and try out this sport. We have two exclusive CaniXC events and five CaniXC events associated with our trail events. We will also have a number of additional dog friendly events.

## PARTNERSHIP REQUEST FOR NEW MILITARY PROGRAM

Starting with the Hateya Trail Run & CaniCross on December 9th and going forward, all of our events for military veterans, active serviceman and their spouses will be free. In order to make this program maintainable and sustainable we will need partners to promote our events and provide financial support. If you are willing to join us in making this new program a success please contact me and let's discuss how to achieve our shared objectives. Any amount of time or financial assistance is welcome and sincerely appreciated.

Thank you for your consideration. If you are ready to make a financial contribution, make your check to Kenosha Running Company, Inc. and mail to: PO Box 126, Kenosha, WI 53141. If you would like to honor someone with your contribution, please let us know.

## MILITARY

The Kenosha Running Company is humbled and thankful to announce that all military veterans, active serviceman and their spouses will be able to run/walk all of our 2018 events for free. Enter in one of three ways; call our office at 262-925-0300, mail in an entry form or enter online (call to get a discount code). We are also looking for:

1. Assistant Race Director (volunteer position) to help nurture & grow this program. 2. We would like to give others the chance to support this program financially so it is maintainable and sustainable for many years to come.

## ADAPTIVE ATHLETES

As we evolve our events it is also time to evolve our ability to be as inclusive as possible. We are making our parade events on July 1st, July 4th and December 2nd wheelchair athlete, wheelchair assisted and amputee (those able to run or walk on blades or similar) welcoming events. We are desiring to make all of our events welcoming to visually impaired runners and walkers. We are also wanting to accommodate those that suffer from PTSD by starting at an earlier times. With this program in mind, we need: 1. Assistant Race Director(s) (volunteer position). 2. Guide Runners & Walkers.

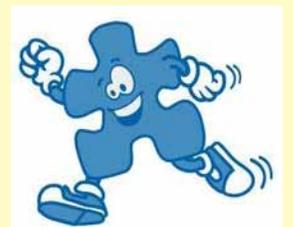

## KID'S TRAIL EVENT

We would like to develop four kid trail races that would be 400 to 800 meters that would be run at the conclusion of our regular trail events. I am thinking our March, June, Sept. and Sept. events. We are in need of an Assistant Race Director to oversee and develop this aspect of our trail events.

## AUTISM TRAIL TEAM

I have read stories on a similar program out East and want to develop and support an ATT here in SE WI. Honestly I have no background in this and ignorant to all the many aspects that parents deal with and the different levels of Autism. We need some coaches and Assistant Race Directors (volunteer positions) to help develop and manage this program.

Contact Brian Thomas at 262-925-0300 or e-mail [briant@kenosharunningcompany.com](mailto:briant@kenosharunningcompany.com) if you have questions on these programs and/or want to assistant with your time.
