Important Notes: Bridesmaids dresses DO NOT follow standard sizing. Most dresses will run SMALLER than your normal clothes. You must accommodate for the largest measurement and alterations are almost always a necessity. The dresses are made according to the size chart and NOT to your individual measurements. If you are unable to have Engagements personally take your measurements, please understand, that we cannot, in any way be responsible for the fit of your gown when it arrives. Having not seen or measured you, we can only recommend a size to you based on the measurements you give us. ALL sales are final and, due to the nature of bridal apparel, this order may not be cancelled, and is NOT subject to any refund or exchange. If you have any questions, please call and we will be happy to assist you. Dresses will be ordered when each bridesmaid in the wedding party has completed their order and deposits are paid. From that point, orders take approximately 12 weeks to be completed. At least a 50% deposit is required to process purchase. The remaining balance must be paid before a gown can be picked up or shipped. Even if a wedding is cancelled, the buyer is still responsible for 100% of cost. We accept all major credit and debit cards. All special orders not paid in full within 10 days of its arrival at Engagements will incur a \$25 holding fee per week
