Barracuda Swim Club Philosophy

The Club is a fun, recreational-competitive, non-profit club for school-aged swimmers (5-18 years). The goal of the Club is to improve each Athlete's stroke ability, endurance and confidence through coaching and training. The priority of the Club is the development of an Athlete's self-confidence, self-awareness and skill level. Success is measured by improved strokes and turns not by a first place finish at all costs. Swimmers will learn in a positive atmosphere. Time trials and swim meets used to assess Athlete's improvement and are another opportunity to practice. Athletes are expected to attend swim meets and all internal events e.g. distance swims and Club Championships.

Code of Conduct for Athletes and Parent/Guardians

1. All Athletes and their Parents/Guardians are expected to act in a proper manner and to follow and respect the direction of the coaches and any parent volunteers.
2. Athletes and their Parents/Guardians are expected to behave appropriately towards other club members and will refrain from harassing any other member in the Club or other Clubs, be it physical or emotional in nature – **this includes bullying.**
3. Athletes and their Parents/Guardians are expected to observe pool rules, and show respect for the position and authority of the lifeguards and pool staff.
4. Athletes and their Parents/Guardians are expected to behave courteously towards all other patrons in the locker room at all times during regular practices and at swim meets at all pools.
5. Inappropriate language will not be tolerated.

Disciplinary Action

Should any Athlete fail to observe the Code of Conduct, the following disciplinary action will be taken. Please note second, third and fourth offences will be brought to the attention of the Club Executive and documented.

1. On the first offence, the Athlete will receive a verbal warning and/or short disciplinary action by the coach/assistant coach.
2. On the second offence, the Athlete will receive a final verbal warning and be asked to sit on the side of the pool deck for the remainder of the practice. The coach will notify the Executive of the Club who will inform the Parents/Guardians of the Athlete, either verbally or in writing within 48 hours of the incident. At this time Parents/Guardians are expected to discuss the problem with the swimmer and help them arrive at a solution.
3. On the third offence the Athlete will be suspended for one week from the Club. A Club Executive member will contact the Parents/Guardians to discuss the problem and determine appropriate actions to be taken prior to the swimmer returning to the Club.
4. On the fourth offence, the Athlete will lose all rights and privileges of membership in the Club and will be expelled. No membership fees will be refunded.
