

# Could you help save a life?

We are holding CPR training sessions  
Sat. 3<sup>rd</sup> Sept 10.00am & Thurs. 8<sup>th</sup> Sept 7.00pm.  
at Bel. Rec.

Belbroughton now has its community Defibrillator which is located on the wall of the Talbot P.H. It is easy to operate and its instructions will take you through its use in an emergency.

**BUT....** If resuscitation can also be given the patient has a better chance of survival until the emergency services arrive.

Would you like to help and find out in greater detail how to use the defibrillator and learn about artificial resuscitation?

Please come to one of our training sessions.

For further information and to book your place please contact  
John Farrell - Clerk to the Parish Council:
