SPONSOR

“WEBASTO”

*** GENERAL MEETING – OCTOBER 11th**

Our presentation tonight will be conducted by Paul Penney, Regional Sales Manager (Central Canada) for [Webasto Product North America](#).

“For Class 8 Truck Solutions: [Webasto](#) heaters pre-heat engines, warm interiors, reduce idling and save fuel; Bunk Cooling Systems provide cutting edge solutions. For Light Duty Vehicles: [Webasto](#) products pre-heat engines, and provide for interior and cargo heat.”

Join us for a very timely discussion on how best to provide cab comfort, and protect equipment, in the coming months!

Bring along a friend or colleague who you think would be a welcome addition to our ATSSA organization, to attend this meeting and to join us for dinner!

BELLEVILLE ATSSA MEETING – SEPTEMBER 11th

Toronto Chapter Officers along with other members joined with our fellow ATSSA Belleville colleagues in Oshawa for an evening hosted by NOCO Mobile Lubricants. Turned out to be a very nice evening with a very informative presentation on the benefits of using synthetic 0/40 motor oils. Thanks again to Ray Wellman (President at Belleville) and his group for the invite to mix with, and to support our fellow ATSSA members.

DOWN THE ROAD

GOLF - ATSSA TORONTO – SEPT. 13th

Our golf outing at Nobleton Lakes on September 13th was quite the success as usual. The weather was great, the participants were good company, the food was very good and there were lots of prizes. Thanks to Brian Sibbald and his Entertainment team for the usual outstanding effort and success. Brian reports that we raised \$1040.00 for our Christmas Charity fund and \$1070.00 for our ATSSA MAP Scholarship fund. Thanks all!

Participating Suppliers : We owe a great deal of gratitude to our suppliers for their continuing support, without whose assistance and participation such events would not be possible. Please remember to favour these suppliers with your business. See page 4.

ATSSA MATTERS

While yet to receive formal severance notices, activities to-date of former Branch executives and data on their web sites-with the notable exception of Bellville and possibly Ottawa- indicates that they have reconstituted. This is a most unfortunate separation from the ATSSA in spite of the prolonged time and efforts expended to persuade otherwise. Concerns remain with methods employed by former Branch executives and there are still some loose ends to finalise, but we now can refocus our energies to enhancing and rebuilding our organisation, while adhering to our core principles and objectives; and will remain Fleet Maintenance Management oriented, as our very ATSSA name spells out.

As usual, the membership is invited to address any questions or concerns to your ATSSA Executive (see list below), either one-on-one or at any General Meeting, including the next on this October 11th, or attend one of the Executive meetings as an observer or to participate

ATSSA TORONTO CHAPTER

NOTE: See if you would like to join our executive by attending some of our monthly executive meetings to just observe or to participate. Simply mention to any member listed below for catering/dinner purposes. It is a great way to influence our organisation and we are always on the lookout for fresh blood!
