What to Expect ~

1. **Homeopathic Intake:** A complete history including chief complaint and personal characteristics. Allow up to 1.5 - 2 hours for this appointment. If something additional comes up, I may contact you through phone or email. Based on this, I analyze your information and determine a remedy. This typically takes between 2-5 days. **Your remedy is then mailed to you, which is billed separately based upon potency and type.**

2. **Follow up appointment** is scheduled 4-6 weeks later, after taking your **remedy**, to assess the action of the remedy. This appointment lasts 30 - 50 minutes. Additional time over 50 minutes is \$15 Additional follow-ups will be scheduled depending on how you are doing, typically every 4-6 weeks or as needed.

Recommended: give homeopathy 6 months to see a clear change. During that period of time, you might have 3-5 follow up visits. This is an average. Many people experience a reversal of symptoms very rapidly. Others take longer.

3. **Acutes Care:** Acute care is the treatment of brief, suddenly occurring conditions, such as **colds, flu, injuries, bites, toxic exposures**, etc. Homeopathic treatment of these conditions serves to strengthen the constitution, exercise the immune system, and ultimately increase your health in a powerful way. Limiting your use of suppressive treatment during these times is central to improving the trajectory of your overall health.

Acute consults are conducted during business hours, 9am-5pm. Messages or emails received on Friday after 3pm will not be answered until Monday unless **after hours care** (see #5) is requested. **Remedies are billed separately.**

- **PHONE:** You may leave acute symptoms on my phone and I will return your call within 24 hours. Calls received after 3pm or on weekends may be returned the next business day unless you have indicated that you require an "after hours" consultation.
- **PAYMENT:** I accept Visa, MasterCard, Discover, Amex, or cash. Payment is due at the time of service.
- **Missed appointments:** Missed appointments will be charged in full & future appointments will need to be prepaid.
- **Cancellation policy:** appointments canceled with less than **24 business hours** notice are subject to a **50% fee.**

Families working with me are encouraged to purchase a remedy kit to have immediate access to necessary remedies.
