

OUR NATIONAL QUALIFIERS FOR 2020!

**Note that one Duo team decided not to compete at all, and one Duo team decided to take the option given by NSDA to compete in single events instead. This means we have two extra entries in two main events plus two Duo teams who moved up into competition, including one student who had qualified in HI and is now going in Duo, meaning an HI also moved up to compete. Congratulations to all these Team Kentucky members!*
