MR ANTHONY MURPHY	1 st Defendant Ref

Before District Judge Conway sitting at Burnley County Court, The Law Courts, Hammerton Street, Burnley, Lancashire, BB11 1XD.

UPON hearing from both parties

AND UPON it being recorded that the evidence of the defendant was that it was his wife who parked in the disabled bay not him.

AND UPON the Court having heard this evidence and seeing a internet entry on pepipoo.com reporting a similar (but not identical account) not being satisfied on the balance of probabilities that the defendant was driving.

AND UPON the Court accepting that in theory a registered keeper could give a driver as agent authority to enter into a parking contract but not accepting that on the facts there was any evidence of agency.

IT IS ORDERED THAT the claim be dismissed. The defendant to pay the claimant's travel expenses of £8.10 by 28th November 2011.
