People: Give comfort and encouragement to their families.

Pastor: We pray for the day when there will be peace on earth and the kingdoms of this world will have become the kingdoms of our Christ.

People: Hasten that day, O God, and help us to live in that hope. Imbue us with your spirit of love and forgiveness, in order that we may understand the nature of Christ's kingdom.

Pastor: Hear our prayers for our enemies in the world, that they may be converted to Christ's will for the nations and join us in a better world community.

People: Let your holy will prevail among all people, and your name be exalted forever.

DID YOU KNOW?

November 11 is recognized as Veteran's Day, a day when we recognize and give thanks for the service and sacrifice of the men and women who have served in the armed forces. These men and women and their families endure hardship, separation, and sometimes loss for the sake of keeping peace and fighting for justice around the world. Servicemen and women work to assist and build up communities and suffering populations around the world. Though we wish it were not necessary, they take up arms to protect and defend their country.

We honor their commitment to duty and willingness to sacrifice of themselves. But let us also remember that these brave men and women are only human. Psalm 127, says "Unless the LORD builds the house, those who build it labor in vain. Unless the LORD guards the city, the guard keeps watch in vain." Even the strongest and bravest of human heroes stands in need of God's grace and the wisdom and guidance we seek in prayer.
