Subject: New Zoning Ordinance - In support of Cecilia Brown's Letter

To: Madam Mayor Perotte and City Council Members:

I echo what Council-member James Kyriaco Jr. said in the last NZO meeting, "I vote for Cecilia Brown." I am sorry to miss the Council session on NZO tomorrow night. I have read the excellent letter Cecilia Brown submitted to you. I agree, share, and support all of Cecilia's concerns and recommendations.

As you know the proposed three-story Calle Real Hotel project is going to be "a view shed buster," like the Hilton Garden Inn, if you do not declare an enforceable view shed protection policies in the NZO. Council-member Stuart Kasdin raised this important topic in the last meeting, and I fully support his concerns and suggestions to remedy the critical section that is missing in the NZO.

Lighting! It seems that all the previous lighting suggestions in the past NZO meetings have disappeared in the staff report. As Cecilia mentions, there are good ideas that we can learn from the Dark Sky experts as well as from other cities who have successfully implemented non-polluting lighting standards. I will be happy to assist any Council-appointed committee to come up with an appropriate lighting ordinance for the City.

Thank you,

Fermina Murray
