

More about our sport

The sport appeals to all ages and disciplines of equestrians as there are classes of competition for everyone - male and female. There is a division for Limited Wranglers (children under age 10), Open Wranglers (age 10-11), Adult (12 and over), and Seniors (age 50 and over). Each division has six levels of competition, so there is literally a class for everyone!

ST-G shooters compete not only locally, but in State, Regional, National and World Championship events. At each match, special recognition is given to the high point and reserve overall shooters in both men's and ladies divisions, class winners, as well as special awards for our young competitors (Wranglers).

Our Schedule

While we are a new club, our Board of Directors are committed to the growth of our club. We have an aggressive schedule planned with 1-day Winter-Series matches and signature events named in honor of our sponsors - the Universal Media Shootout in May has become one of the largest added-money matches in the nation, and the Altmeyer's Clean Shooter Challenge in September equalizes competitors from all classes in the hunt for custom premier buckles from Bob Berg Designs.

Our demographic audience and contestants are dedicated to the sport of Cowboy Mounted Shooting and the care of their equestrian partners. We uniquely support the western way of cowboy life and exhibit loyalty and appreciation for our valued sponsors.
