Adams County Day Camp, Ages 5 to 22

Two weeks available: - June 11-15 and June 18-22

The Adams County day camp runs for two weeks and is specifically designed for those with disabilities. It is intended to be both fun and educational for those who participate. Each day of camp will operate from 9:00 am-3:00 pm at Under The Horizon studio in Gettysburg, PA.

Campers will participate in a setting that includes challenges, outdoor fun, and building social relationships. Themed days/weeks include activities that will engage campers of all levels such as arts and crafts, group games, sensory activities, snack time, water play, and special guests.

There will be 10 registrations accepted for each week. Please be sure to register early to guarantee your spot. Please note that campers are expected to be able to follow verbal cues and directions. Campers needing one-on-one behavioral support as well as those that may have a fragile medical condition will be required to have a non parental support person, over the age of 18, at each day of camp. Easterseals provides an overall staff-to-camper ratio of 1:4.
