

We want your input on the vision statement!

Below we have listed the vision statement and word cloud for the City resulting from the Community Reconstruction Plan (CRP). We now need your help with refining this vision, please add words/ideas/thoughts/comments using index cards and post-it notes.

Develop a vibrant, resilient, sustainable and green community that protects and enhances the safety, health, environment, diversity, culture and economy of current and future residents and guests of Long Beach

-- Vision Statement, City of Long Beach NYRCR Plan, 2014
