Getaway Classic

The 2017 Getaway is now in the books. The temperatures pushed just over 100 for the Thursday and Friday rounds but backed off on Saturday as 20+ mph winds cooled things down some. The winds made for some challenging golf-- only one score net under par -- B-Flight winner Mike Tapia at 71. Congrats also to A and B winners Mike Anthony and Cali Cabezas.

In all 57 different members and guest participated with a large percentage cashing. Mike Tapia wins the "Brinks Truck" award cashing in for \$550 followed by John Agan at \$490, greatly aided by the only gross skin on Friday in B-Flight worth \$450.

Special thanks to Bob Hoover, Mel Fekin, and Evan Goepfert for all their help with the scoring and double checking everything. Also much thanks to Boone Barrow and his cohorts for running the "Bob Liese Tournament Inside the Tournament". One of his helpers was well rewarded-- Mike Tapia kicked butt both days in this event also.

This was my 20th year of running the Getaway, and I was seriously considering hanging it up as the number of members and participation in Men's Club events are declining. However, this year's Getaway participation was up and everyone seemed to have a good time again-- so I committed to do it again next year-- looking at the first weekend in May to minimize chances of really hot weather.

Tournament News

2 Man Modified Pinehurst

Results: This year we only had enough players to fill out two flights. We had 15 teams in "A" flight and 14 teams in "B" flight. We had some very close winning team scores and lots of ties. Total turnout for the day was 58 players. In the "A" group the winners finished with mighty fine 62. There were lots of ties at 66 which created a 4-way card off for last place. In the "B" flight there were three teams tied for first with 64. Again, a card off for last place with three teams at 66. Congratulations to all the winners and check out all the details on the newsletter recap page.

Formats: One or two teams had questions on the format. The format can always be found on the Conditions of Competition sheet. In order to help you get a good understanding of the formats we use throughout the year, we have published them on the "Our Rules" page of the Web site. This way you can review them ahead of time. If you have any questions please raise them with any board member while you are checking in on the morning before you play.

Tip of the month: Rake the sand traps when you are finished with your shot. Rake a little more than the mess you made so the next player has a better lie. Push the rake away from you toward the inside of the trap and it helps to fluff the sand better than when you rake toward the outside.

Coming up: 2 man scramble format. Next month is another 2 man team event with 8 stroke differential. It comes up in the middle of the month on June 17th. Get your partner together and let's have another good turnout.

Tournament Entry: Put your paper entry form into the EPMC mailbox in the golf shop or email your name and your partner's name directly to me at dcox181@hotmail.com or sign up on our EPMC website.

P.S. Unless you are a brand new member all I need is your name and your partners name on the email or the form. If you are new, please add your GHIN number.

Thanks for being an active member. It makes our club stronger.
