

Bernadette & John Mares

Bernadette and I were born and raised here in Albuquerque. I am the class of "81" and she the class of "83". We were married in 86 and have two wonderful kids. We are both very creative, working with many different types of mediums. Bernadette has worked with everything you can think of including porcelain, ceramic, glass, paints, clays, fabric. I can't keep up. As for me, more wood and metal mix.
