

# LA PIZZERIA

## *Qualita' Italiana*

Benvenuti, welcome. Here at La Pizzeria we strive to create healthy, light and authentic Italian fare. When selecting ingredients we search for the highest quality, whether it is local produce and seafood or imported Italian flours, desserts, oils, pastas, cold cuts, plum tomatoes, cheeses and everything in between. For example, our pizza flour is from Napoli and is all natural, non GMO, low on gluten content and without stabilizers. Our extra virgin olive oil is true cold pressed EVOO from Laura's family in Italy.

However, our most important ingredient is Love.

We want to thank you for your continued patronage and support throughout the years. It has been our pleasure and your business is appreciated.
