CONGRATULATIONS! You have closed on your new home and now you are ready to move! The next few pages contain tips and checklists so that your move is as organized and effortless as possible. Think about your move as a series of small projects that you can begin while your home is under contract. Your move will progress as your contract and closing progress. That way, when the day comes to physically move your belongings, most of the details will be taken care of.

KEEP DETAILED RECORDS- SOME MOVING EXPENSES ARE TAX DEDUCTIBLE!

Keep detailed records of all moving expenses if your move is job related. Many expenses, including house-hunting trips, are tax deductible. If your move is 35 miles or more from your home, you can deduct your family's travel expenses, including meals and lodging; the cost of transporting furniture, other household goods and personal belongings; food and hotel bills for up to 30 days in the new city if you have to wait to move into your new home; and the costs associated with selling your old home or leasing your new home.

Note: There is a ceiling on deductions which is outlined in detail in the IRS's Publication 521, "Tax Information on Moving Expenses." Available free form at the IRS offices.

old blankets, plastic bags, tissue paper, newspapers, and small towels to use as padding
inside boxes.
Create a "portable packing kit" with marking pens, a tape measure, packing tape,
twine and scissors. Carry it with you as you pack up items around your home.

Pack TV, stereo, and computer in their original boxes whenever possible.
Keep boxes to 50 pounds or less.
Pack heavy items into their own smaller boxes and place lighter items together into
large boxes. (Don't pack all your books into one box!)

gasoline, and ammunition.
Pack a bag of personal items you'll need during the move (change of clothes,
toiletries, medicines, maps, food, and drinks). Keep it in an easy-to-find place when you
