In signing this entry form I understand the entire contents of this packet and agree with all rules and regulations of the pageants system. I understand there are no refunds of any deposits or ads in part or in whole. There are no "forwarding" of fees if you do not attend nationals. AmeriFest LLC, Facilities Held, Judges, Staff, or other parties affiliated with AmeriFest LLC are NOT responsible for injuries during, traveling to, as well as lost or stolen items at the pageant, hotel area, traveling to or from the event. In signing I give permission for me or my child's photo to be used in state or national advertisements including website, social media, or print ads. We reserve the right to decline any advertising we see not suitable for our audience or the association. We reserve the right to combine age divisions with 2 or less contestants. If there are less than 25 boys competing the bond WILL be reduced for Grand Supreme. To \$800 Bond. We reserve the right to substitute any gifts or prizes for those of equal or greater value. Community service is a huge part of AmeriFest LLC, when you win your title you may be ask to attend or participate in local or national community service projects or appearances. Once you are crowned, we may monitor behaviors on social media—we expect winners to uphold themselves to a certain code of conduct and represent themselves and their national title in a clean, decent, and non-offensive manner. We reserve the right to remove any titles won if a queen does not adhere to "good and decent moral conduct" online or in print at the associations discretion. If for any reason the overall Grand Winners are not able to fulfill their appearances or duties for ANY reason including but not limited to, winning another state or national title that forbids you to wear or represent your title publicly, immoral conduct, Teen or Miss winner becomes pregnant during her reign for example, Mini supreme will take over that responsibility and all remaining appearances and become the face of that title for the remainder of the reign. All contestants, excluding little mister, must have been a natural born female. Teen or Miss contestants must have never had a child or be married. There are divisions for MS and MRS for contestants married and with children. Grand winners are contractually obligated to attend Nationals in 2018 to crown the new royalty—if they are unable to attend for any reason the Mini Supreme will have the opportunity. All Grand Supreme winners need to book their photo session with our national sponsor Cook Designer portraits within 1 month after being crowned. The quicker the photos the quicker we can blast and promote the winners. The free package won is worth over \$1,200 and includes autograph cards.
