RE: Selection of Food Producers of Idaho 2016 Ag All Stars

Food Producers of Idaho has approved the list of 2016 Ag All Stars based upon the Food Producers scorecard from the 2016 Legislative Session.

Congratulations! You have been awarded this honor based upon your voting record in the 2016 Legislature. Most of our tracked bills for the scorecard were directly related to agriculture/natural resource issues.

You will be sent a special invitation later in the year to receive public recognition for this honor. The annual recognition banquet is scheduled for **Wednesday, January 11, at the Red Lion Downtowner Hotel in Boise**. We hope you will mark this date on your calendar and plan to be in attendance.

A total of **89** legislators will be honored with this award for 2016. We are very pleased to add your name to our list of dedicated supporters of Idaho agriculture. Please feel free to use the announcement of this honor in your campaign materials if you are involved in an election in November. We will send a news release statewide honoring those who have received this award.

While Food Producers of Idaho does not endorse legislative candidates, we are pleased to provide this information concerning your recognition as an Ag All Star and hope you will use this information as you see fit. We hope you have an enjoyable summer.
