Chilly February day but not not too bad. Sunny with a little wind. The first thing to note is that apparently Min Minutello (the "Legend") was reprimanded by the Caliendo league leading to a two week suspension for allegedly driving his cart on the fairway during a carpath only round. This seems like a harsh penalty for anyone but especially for a Caliendo icon. Of course Min was unphased and was in the money today with a solid round. Charlie and Jim P. struggled through the round. Jim Rinaldi wins the big money with a net 75 and was nice enough to buy a round for us including Charlie's brother George who is looking to join the DGA in the near future. I'm not sure what George's handicap is but he shot a gross 83 today with 2 birdies. He says he is a 15 handicap so we'll see.
