Coronavirus Update

In the weeks ahead we will begin putting the cushions, song books, and Bibles back.

We will, for the time being, continue to have every other row taped off.

As mask restrictions begin to be loosened, we ask that each of us consider the welfare of others and please wear a mask.

We will continue to use the overhead screen for songs and announcements, and to that end we will need volunteers to prepare the PowerPoint shows for Sunday services – see Mark if you are interested in helping.

We will continue to examine the starting date of our Sunday morning and Wednesday classes.

Dear brothers and sisters at Lasalle Church of Christ,

On behalf of my wife Vanessa and our son Ronen, I want to thank you for your desire to partner with us in the work here in Cebu City, Philippines. It is because of generous hearts like yours that we are able to serve and share the Good News with those who are seeking the Lord. We are so encouraged to know that we have a church family that will be praying for us, especially during a time when fear and disease have produced a very challenging climate for ministry. We are confident that "he who started a good work in (us) will see it to completion," and with your partnership we can plant the seeds of the Word that will produce fruit for many generations to come.

If you would like to receive our newsletter, please email us with your first and last name. You may email us at: callari.mission@gmail.com

May God bless you all,

The Callari Family
