SUMMER AG

INSTITUTE

A Hands-On Learning Experience for Educators

During this four day program, teachers will learn first-hand about agriculture and how to teach their students about the world's food and fiber system. Program participants will travel to agri-businesses, food companies, and farms along with classroom programs. This is all available for only \$240 per person which includes 2 nights lodging, transportation, and several meals. There are 30 PDCH credits available or two graduate credits through St. Francis University for an additional \$200. SAI registration forms are available on-line at winnebago-boonefarmbureau.org. Graduate registration will be done on line. After registering for the conference you will be given grad credit instructions. For more information contact Diane Cleland at wfbaitc@live.com or 815-962-0653.
